Vacancy

The Whiteley Homes Trust

Registered Nurse

40.25 hours per week

£20.20 per hour depending on experience

Are you looking to make a difference in a not-for profit organisation?

We are a charity that manages Whiteley Village retirement community, founded over a hundred years ago in Walton on Thames, Surrey. The Village is located in 225 acres of beautiful grounds and is a very special place to live and work.

About the role

We are looking for an RN who is passionate about providing excellent care to older people, to join the wonderful Nursing Team in our modern nursing facility, the Eliza Palmer Hub.

As a Registered Nurse you will be a key part of our team, facilitating high quality nursing care for our residents. Our residents will require your undivided attention in advocating for them and enabling them to express their views on their specific nursing and medical care, enhancing the resident experience and enriching the quality of lives for those in our care.

Our Registered nurses will be an integral part of promoting our culture of continuous professional development. You will oversee the effective clinical and personal care practice of all care staff. Part of your role will be to support, train, supervise and mentor junior staff, including Care Assistants, newly qualified Nurses, Student Nurses and Assistant Practitioners.

About you

You will need a current Adult NMC registration.

A Palliative Care qualification would be advantageous.

Ideally you have a Mentorship Certificate and/or Care of Older Person Diploma together with experience of mentoring junior staff or student nurses.

Experience of working in a care home with nursing and end of life care protocols such as Gold Standards Framework would be ideal.

An empathic approach to understanding and nursing older people is essential together with excellent interpersonal and communication skills.

You will need excellent clinical skill and the competence to translate this into practice.

Ideally you have an understanding of the CQC regulatory framework and KLOEs.

We are looking for someone with a passion for their own and the team's continuous professional development.

What's in it for you

An excellent working environment, great training and development opportunities, life assurance, pension, generous holiday allowance, free parking.

Ideally, we are looking for people who drive or who can get to us easily.

An Enhanced DBS check will be required for this role.
