**Can you embrace our core values -

If so, we would like to hear from you!

We are a charity that manages Whiteley Village retirement community, founded over a hundred years ago in Walton on Thames, Surrey, and the Village located in 225 acres of beautiful grounds and is a very special place to live and work.

About the role: You will champion and introduce new ways of working to support older people to remain independent within the supported housing community for as long as possible. You will create a vibrant and inclusive atmosphere, leading, organising and co-ordinating resident activities to enrich daily life. You will undertake assessments of residents' support needs to ensure that each residents' personal care, recreational and social needs are met, whilst maintaining their personal dignity, choice, and independence.

With a strong emphasis on customer service and satisfaction you will be the first point of contact for residents and visitors to the building, as well as first responder to emergency calls.

About you: Ideally you will have experience of working within a care environment as while you will not deliver scheduled personal care calls, you may need to assess and deliver personal care in an emergency. Empathy for older people is a must as well as being a team player with the ability to work alone with minimal supervision.

If you have experience in Care and are looking to move into a Support Worker role this would be a great opportunity to learn on-the-job, as full training will be provided.

What we offer: Excellent working environment, great learning & development opportunities, life assurance, pension, generous holiday allowance, employee assistance programme and free parking.

Closing Date: 27th June 2022

We are committed to equal employment opportunity regardless of race, religion or belief, ethnic or national origin, disability, age, marital or civil partnership status, pregnancy or maternity, sex, sexual orientation or gender identity or gender reassignment.

The Whiteley Homes Trust is committed to safeguarding and promoting the welfare of vulnerable adults and expects all staff and volunteers to share this commitment.
